"the Legislative Research office ...compile[d] a list of Alaskan communities that would be impacted by the provision in SB 39 that strips local control of elections away from communities and prohibits municipal governments from sending ballots by mail. The communities that offer the service to voters of sending ballots by mail can be found here... Public testimony on SB 39 is scheduled for 3:30 p.m. on Thursday, February 19 in the Senate State Affairs Committee. Please plan to call in to provide testimony... call 1-844-586-9085. Talking points can be found at this link >> Let’s keep protecting Democracy,” Louie Flora, Gov Affairs, AK Center

"If you want to stay afloat of committee hearings and other legislative-related information, follow my Facebook page and my Twitter page. Additionally, you can watch live and recorded committee hearings by tuning in to 360N on cable or visiting the Alaska legislative website. Endless War - Hosted by VFP North Carolina Triangle Chapter 157, Patriotic Dissent features VFP member, Danny Sjursen. Major Sjursen desribew ways that our society is militarist and show how militarism subtly (or not-so-subtly) infuses our nation. It informs foreign policy decisions, conflates patriotism with war, and creates citizen apathy. Cultural militarism and the linkage of patriotism to war in individual minds must be altered if our nation is to end its reliance on military responses to international disputes. Instead, diplomatic and other nonviolent means should be used to resolve conflicts. Watch now!"

"The Bridge – Encampment Outreach:...connected with approximately 50 people experiencing unsheltered homelessness in the Fairbanks area. More importantly, many people signed up for additional services!

The Bridge – Employment: ...many clients ... are preparing for seasonal work. They also have clients applying for the Bread Line’s ‘Throw, culinary job training program. Additionally the employment specialist team is branching out to assist the peer support specialists and IACNVL’s Recovery Housing project.

The Bridge – Housing Grant: Niki still has funds to assist Returning Citizens with housing needs. Applicants cannot have open court cases for these funds.

AHFC: even more rental and utility assistance is on the way! [Alaska Housing Finance Corp.] is expecting a large amount of funding, potentially as much as $100 M for rental & utility assistance. There won’t be a lottery for this round of funding and the application will be online. More information to come.

AmeriCorps VISTA... just wrapped up recruitment and will have five new VISTA Members starting on February 16th.

The United Way of Tanana Valley’s Volunteer Action Center is up and running....an easy-to-use platform that promotes volunteerism, helps volunteers find the right opportunities, and enables agencies to easily recruit volunteers and track their impact data! Think of it as a site that matches agency needs with volunteers. While United Way is the parent account, nonprofit agencies can make their own, personalized page that is fully under the agency’s control. On your own page, you can upload your own branding, events, needs, and more! Please check out

Why is this a concern some may ask? Here’s a primer that goes into detail about the harms associated with EMF. As you scan through it, the signs and symptoms of exposure may parallel your experiences or prompt connections to civil and political affairs in the L48.

https://www.rense.com/general60/tetra.htm

This site was created by a former Alyeska engineer after being alerted to symptoms and medical outcomes of EMF exposure. Based on tests he conducted, the summit of Ester Dome is a zone of extremely high EMF. The source is the telecomm towers that dominate the summit. In rough terms, the summit topology is unfit for human habitation. Passing through the area or incidentally visiting it incurs exposure. EMF damage is cumulative. Local officials with an interest in health and safety are encouraged to conduct personal investigations with easily obtained detection equipment to verify these claims. https://www.5gfrequencyfreefairbanks.org/

"Fairbanks Community COVID-19 Vaccination Signup Tips
As a general guideline, new appointments for vaccination will appear on the website covidvax.alaska.gov each Thursday at noon (assuming there is additional vaccine available). Appointments may also show up on the website at other times. If new appointments are appearing for a Carlson Center Mass Vaccination Clinic at different times/dates, we will do our best to get the message out to the entire community. Other vaccine providers may also make new appointments available at the website at different times, so it is best to check back frequently, covidvax.alaska.gov, for new appointments. You can also check directly with other vaccination clinics in town to see if there are any new appointments available.

Alaskans currently eligible to receive the vaccine can make an appointment in 2 ways:
By phone (This may be the easiest option, especially when the website goes down, which happens occasionally)
- Call State Helpline: 907-646-3322 Agents are available to assist Monday-Friday, 9am-6:30pm and Sat. and Sun., 9am-4:30pm. After hours message line available.

Online: COVIDvax.Alaska.gov
- Click on the “Find a COVID-19 Vaccine Provider” (about ½ way down the page)
- Scroll to the blue’ish section that says “Alaska COVID-19 Vaccine Available Appointments” and select “Fairbanks Public Regional Health Center”. It will walk you through the appointment process, or

**Audio & Songs broadcast with this week’s Community News:**

"Hello this is Rob Mulford, the Asymmetric Moose, with picks for the week of February 14th, 2021, Valentines Day. In the spirit of this day in which we say I Love You, I’ll say I love you in song, not the sappy; cryin’ in your beer; fallin’ off your bar stool kind, though I’ll admit I do occasionally imbibe in the kind, but that revolutionary love that makes things all right.

First, Blind Boys of Alabama sing an old Curtis Mayfield tune that Dr. King called the unofficial anthem of the Civil Rights Movement – People Get Ready

Now I didn't understand it for I felt that I was rich; And I told them of the love my mamma sewed in every stitch; And all the story mamma told me while she sewed And how my coat of many colors is worth more than all of their clothes; Next Emmy Lou Harris sings about a mother’s love in – Coat of Many Colors
And I visit process, but what’s a little pee when it comes to Rev drop of blood that irate white man held a large knife to his chest. He said that while stopped at a southern bus stop, an irate white man held a large knife to his chest. He said that he told the angry man, “If you drive that knife into me, I want you to know that with my last drop of blood that I will still love you”. My friend told me that the man then dropped his knife to the floor. My friend may also have wet himself in the process, but what’s a little pee when it comes to Revolutionary Love. Ani Di Franco sings Revolutionary Love.
