		<p>"It's still happening," Nofziger told <i>Medscape Medical News</i>. "one of the largest health care fraud schemes ever charged." ...[V]arious enterprises collectively charged Medicare and other federal healthcare programs for \$2.1 billion for unnecessary cancer genetic tests, billed for as much as \$23,000 a piece, according to criminal indictments that were handed down in September 2019... the perpetrators of cancer genetics testing schemes may now be switching their marketing scripts to genetic testing for heart disease because the latter is a complication related to COVID-19 and therefore more sellable. "Scammers follow the headlines," <i>excerpts from article by nmulcahy@medscape.net and on Twitter: @MulcahyNick Find more about protecting from fraud here.</i></p>

June 7 -		6-Week Online Course: War & Environment - Grounded in research on peace and ecological security,	Register here

July 18

this course focusses on the relationship between two existential threats: war and environmental catastrophe.

We will cover:

- Where wars happen and why.
- What wars do to the earth.
- What imperial militaries do to the earth back home.
- What nuclear weapons have done and could do to people and the planet.
- How this horror is hidden and maintained.
- What can be done.

\$100 (Pay less if you have to, more if you can.) A local donor can sponsor a local participant.

Email alaskapeacenews@gmail.com with subject line: **I want to take Course: War & Environment**

Audio & Songs broadcast with this week's Community News:

" This is the Asymmetric Moose, Rob Mulford, reminding you active duty and reservist service members, out there: Are you experiencing trouble with your enlistment; considering conscientious objector status, or just in need of counseling by professionals trained in the Uniformed Code of Military Justice? Call the G.I. Rights Hotline at 877-447-4487. The call may save you a lot of grief. It may even save your life.

Wage Peace!"
